

**Dear Members of the Czech Society for Oncology,
Dear Colleagues,**

On behalf of **Assoc. Prof. Regina Demlová, MD, PhD**, Director of the **CREATIC Centre of Excellence**, we are pleased to invite you to the **3rd Central European Advanced Therapy and Immunotherapy Conference**, which will take place on **November 2–3, 2026**, at the **Hotel International Brno**, Czech Republic.

The third edition of the CREATIC Conference will focus on the latest developments, practical experience, and future directions of **Advanced Therapy Medicinal Products (ATMPs)** in the Czech Republic and internationally. The conference will provide a platform for sharing knowledge among academia, clinical centres, regulatory authorities, and technology partners, while fostering discussion on the key challenges related to the development, manufacturing, regulation, and implementation of ATMPs into clinical practice.

Conference topics include:

- **ATMP Centres of Excellence: From Vision to Reality**
- **Navigating the Regulatory Landscape for Academic ATMP Development**
- **From ATMP Development to Clinical Practice: Lessons Learned**
- **Emerging Technologies in Advanced Therapy Development & Manufacturing**
- **The Czech ATMP Ecosystem: Current Achievements and Future Directions**

Venue

Hotel International Brno
Husova 16, 602 00 Brno, Czech Republic

Date

November 2–3, 2026

The detailed scientific programme, information about the speakers, and practical information will be published regularly on the conference website.

Registration is available via the following link:
