## International VideoWorkshop (IVW) on radical surgery in gynecological oncology

Prague, Czech Republic  
March 29 – April 1, 2008

European Society  
for Gynaecological Endoscopy

## NEW FORMAT MEETING BASED ON VIDEOPRESENTATIONS

The best way how to share practical experiences. Focus on manual skills, new techniques in surgery, and demonstration of practical tips and tricks.

The topic of the meeting is not why or when to do procedures, but how to do it best.

Joining experiences from endoscopy and open surgery.

Approval of the Workshop programme for Continuing Medical Education (CME) is anticipated.

Registration will be possible through our website [www.ivwesgo.cz](http://www.ivwesgo.cz) from October 1, 2007.

## SHARE YOUR EXPERIENCES WITH OTHERS

Everybody working in the field of gynecological oncology **IS WELCOMED TO SUBMIT AN ABSTRACT** and contribute actively.

All presentations should be based on video. There will be two or three invited presentations at each session, followed by selected presentations from submitted abstracts, and enough space for discussion. Abstracts must be submitted via web page.

**Deadline for abstract submission: December 15, 2007 - see [www.ivwesgo.cz](http://www.ivwesgo.cz)**
