Friday, 18.9.2009 | 9:00 - 14:00

Lectures will be presented in Czech and Slovak

- Session I:** 9.00 - 10.30
Chairs: **T. Kozák, H. Móciková, J. Mayer**
- 9.00 - 9.30 Treatment of early and intermediate stages within the GHSG | **Zdeněk Král, Brno**
9.30 - 10.00 Treatment of advanced stages within the GHSG | **Jana Marková, Prague**
10.00 - 10.30 Radiotherapy in HL in the Czech Republic | **Kateřina Dědečková, Prague**
10.30 - 11.00 Coffee Break I.
- Session II:** 11.00 - 12.00
Chairs: **M. Trněný, J. Starý**
- 11.00 - 11.30 Treatment strategies for relapsed HL in the Czech Republic | **Heidi Móciková, Prague**
11.30 - 12.00 Current concept of treatment HL in children and adolescents | **Michaela Nekolná, Prague**
12.00 - 13.00 Lunch
- Session III:** 13.00 - 14.00
Chairs: **Z. Král, J. Marková**
- 13.00 - 13.30 Unusual syndromes in Hodgkin Lymphoma | **Tomáš Kozák, Prague**
13.30 - 14.00 Reproductive function protection in women undergoing chemotherapy for Hodgkin Lymphoma | **Lenka Šmardová, Brno**
14.00 - 14.10 Closing Remarks | **Tomáš Kozák**
14.10 - 14:30 Coffee Break II. + Adjourn
